

Gary S. Silverman
Public Health Sciences
UNC Charlotte
9201 University City Blvd.
Charlotte NC 28223
704 687-6122
gsilver1@uncc.edu

EDUCATION:

- Doctorate in Environmental Science and Engineering (D.Env.). University of California, Los Angeles. 1983.
- M.S. in Wildland Resource Science (aquatic ecology emphasis). University of California, Berkeley. 1976.
- B.A. in Biology. Claremont Men's [McKenna] College, Claremont, California. 1974.

EXPERIENCE:

- Professor and Chair, Department of Public Health Sciences, University of North Carolina, Charlotte, 8/12 to present.
- Chair, Department of the Environment and Sustainability, Bowling Green State University, Bowling Green, OH 9/08 to 7/12.
- Director, Center for Environmental Programs, Bowling Green State University, Bowling Green, OH 6/08 to 7/12.
- Professor and Director, Environmental Health Program, Bowling Green State University, Bowling Green, Ohio. 2/95 to 7/12.
- Interim Director, Environmental Studies Programs, Bowling Green State University, Bowling Green, Ohio. 3/08 to 9/08.
- Professor in the Faculty of Medicine and Health Sciences, Universiti Putra Malaysia, serving as external examiner. 7/06-7-08.
- Fulbright Scholar, 1/05 to 5/05. Assigned to Escuela de Seguridad Laboral e Higiene Ambiental, Instituto Tecnológico de Costa Rica (School of Environmental Hygiene and Occupational Safety, Technological Institute of Costa Rica).
- Graduate Faculty, Bowling Green State University, Bowling Green, Ohio. 4/89 to 7/12.
- Adjunct Professor, Department of Public Health, Medical College of Ohio, Toledo, Ohio. 8/00 to 8/03 (Adjunct Assistant Professor 7/87 - 8/00).
- External Examiner, Environmental Science Department, Universiti Putra Malaysia, Malaysia 3/01 to 4/01.
- External Examiner, Environmental Health Program, Mississippi Valley State College, Mississippi Institutions of Higher Learning, 8/98 - 10/98.
- Co-Director, The Woodrow Wilson National Fellowship Foundation Leadership Program for Teachers on Climate Change. Princeton University, Princeton, New Jersey, 6/98 to 7/98 (5 week intensive residential program for teachers).
- Fulbright Scholar, 1/96 to 6/96. Assigned to National Institute of Public Administration (INTAN), Kuala Lumpur, Malaysia.
- Associate Professor and Director, Environmental Health Program, Bowling Green State University, Bowling Green, Ohio. 5/89 to 2/95.

- Assistant Professor and Director, Environmental Health Program, Bowling Green State University, Bowling Green, Ohio. 5/86 to 5/89.
- Adjunct Assistant Professor, Graduate Program in Environmental Management, University of San Francisco, San Francisco, California. 9/83 to 3/86.
- Instructor, Department of Civil Engineering, San Jose State University, San Jose, California. 1/85 to 6/85.
- Program Manager and Senior Environmental Engineer, Association of Bay Area Governments, Oakland, California. 9/81 to 5/86.
- Project Manager and Microbiologist, Metropolitan Water District of Southern California, LaVerne, California. 9/77 to 9/80.
- Staff Research Associate, Sanitary Engineering Research Laboratory, University of California, Berkeley, California. 9/76 to 9/77.

PROFESSIONAL ORGANIZATIONS AND LEADERSHIP:

- American Chemical Society (1998 – 2006).
- American Water Works Association (1978 – 2002).
- Association for Environmental Studies and Sciences (2009 – present)
- California Hazardous Waste Management Council (1984-1986). Alternate
- *Environmental Health Insights*, Editorial Board (2008-present)
- National Association of Environmental Professionals (1986 – 1996; 2006-present). Past member of Conference Committee and Sustainable Development Committee, past Chair of Student Scholarship Committee. Current member of Advisory Board for its journal *Environmental Practice*.
- National Environmental Health Association (1986 – 2008).
- National Environmental Health Science and Protection Accreditation Council (1989 -1995; 1997 – 2003; 2005 – 2008). Past Chair, past Graduate Chair, past Undergraduate Chair, past Treasurer.
- North American Association for Environmental Education (1995-1996;
- Ohio Environmental Education Council (2005). Core Planning Group Member.
- Ohio Environmental Health Association (1986 – present). Past Chair of Committee on Hazardous Materials.
- Ohio Public Health Association. (1986 – 1992). Past member of Governing Council, past Chair of Hazardous Materials Special Interest Group.
- Ohio, Registered Sanitarian (1988- present).
- Ohio State Sanitarian Registration Board (1996 – 2012). Past Chair.

AWARDS AND HONORS:

- Professor Emeritus, Environment and Sustainability. Bowling Green State University, Bowling Green, Ohio. 5/13
- Named Professor in the Faculty of Public Health, Addis Ababa University, Ethiopia. 6/09.
- Named Professor in the Faculty of Medicine and Health Science at Universiti Putra Malaysia (to serve as external evaluator). 7/06.
- Council on Linkages between Academia and Public Health Practices Linkages Award, third place (with City of Columbus Health District and Ohio University Environmental Health Program). 7/06.

- Ohio Childhood Lead Poisoning Prevention Program Appreciation Award. 6/06.
- Named Profesor *Ad Honorem*, Instituto Tecnológico de Costa Rica (Techological Institute of Costa Rica), 1/05.
- Fulbright Scholar Award (in Costa Rica 1/05 to 5/05)
- Service Award, National Environmental Health Science and Protection Accreditation Council, June 2003.
- Fulbright Scholar Award (in Malaysia 1/96 to 6/96)
- Faculty Excellence Award for Outstanding Teacher, Undergraduate Student Government, Bowling Green State University, 1990 to 1991
- American Academy of Sanitarians, elected "Diplomat" 1990
- Finalist - Advisor of the Year, 1989 to 1990, Bowling Green State University
- National Environmental Health Association, Presidential Citation, 1987.
- Region IX, U.S. EPA Certificate of Appreciation – Environmental Management and Regional Cooperation 1987
- Alpha Eta Honor Society 1986
- Phi Kappa Phi 1986
- Sigma Xi 1986

COURSES TAUGHT AT BOWLING GREEN STATE UNIVERSITY:

- ENVH 105* Environmental Health Science
- ENVH 210* The Global Commons: An International Perspective on Environmental Health and Protection
- ENVH 304 Air Quality Management
- ENVH 306* Environmental Regulation, Organization and Administration
- ENVH 307* Occupational Safety
- ENVH 403* Principles of Water Quality
- ENVH 404* Water Supply and Pollution Control
- ENVH 405* Hazardous Material Management
- ENVH 407* Environmental Toxicology
- ENVH 449* Environmental Epidemiology
- ENVH 470* Hungary and the U.S.: Comparative Environmental Quality and Control
- ENVH 470* The Costa Rica Environment
- ENVH 491* Practicum
- ENVH 492* Comprehensive Environmental Health Practices
- ENVH 605* Introduction to Environmental Health
- ENVS 101 Introduction to Environmental Studies
- ENVS 3010 Environmental Problems
- ENVT 211* Biological and Chemical Examination of Water
- ENVT 222* Water and Wastewater Treatment
- INST 2000 Introduction to International Studies

* = developed as new course

- Silverman, G.S. 1999. Recruitment video for environmental programs at Bowling Green State University

EXTERNAL GRANT AWARDS:

- U.S. EPA. National Community-Based lead Outreach and Training Grant Program. 2008. \$228,554 to fund "Capacity Building for Lead Outreach and Training in Northwest Ohio."
- Association of Environmental Health Academic Programs. 2008. \$4000 to fund student recruitment into Environmental Health Program
- Edward Lamb Foundation, 1991 to 2011. \$3200 - \$4000 annually to fund Peace Lecture

- US Department of Education Fund for the Improvement of Postsecondary Education. 2006-2010. \$200,159 to fund “NAFTA’s Second Generational Challenges” This is a three country (Canada, Mexico and the U.S.) project involving 2 universities from each country. Federico Chalupa is BGSU PI). I serve as a contributing faculty member
- Edward Lamb Foundation, 2005. \$500 to supplement funding for Ohio EPA sponsored project “Reducing Children’s Blood Lead Exposure Through Neighborhood Education.”
- Ohio Environmental Protection Agency. 2004. \$49,460 to fund “Reducing Children’s Blood Lead Exposure through Neighborhood Education.”
- Association of Environmental Health Academic Programs. 2004. \$3000 to support environmental health recruitment activities.
- Association of Environmental Health Academic Programs. 2003. \$3000 to support environmental health recruitment activities.
- Association of Environmental Health Academic Programs. 2002. \$4000 to support environmental health recruitment activities.
- National Center for Environmental Health, Centers for Disease Control. 2001. \$24,000 to conduct workshop evaluating guidelines of National Environmental Health Science and Protection Accreditation Council (EHAC).
- U.S. – Hungarian Science and Technology Joint Fund. 2001. \$2000 to explore research collaboration between Bowling Green State University and the University of Veszprem, Hungary
- National Association of Local Boards of Health (funding pass through from CDC). 2001. \$20,000 to produce food safety video.
- American Chemical Society. 2001. \$4500 to support and collaborate with Hungarian scholar researching “Environmental Impact of Factory Dairy Farms” on local communities.
- National Institute of Environmental Health Sciences. 1999 to 2006. \$1.8 million awarded to Environmental Health Program (Chris Keil, Jodi Haney & Bill Armaline, PI’s) for Project EXCITE (Environmental Health Science explorations through Cross-disciplinary and Investigative Team Experiences). I received approximately \$7000/year to participate as a contributing scientist.
- National Association of Local Boards of Health, 1999 (funding pass through from CDC). \$25,700 to fund preparation of *Environmental Health Primer* as an educational tool for local boards of health.
- Ohio Environmental Protection Agency, 1999. \$49,310 to fund “On-site septic system educational program: a collaborative approach.”
- U.S. Department of Health and Human Services, 1999. \$65,000 to fund workshop on “Environmental Health Food Protection Curricula.”
- City of Bowling Green (with Chris Keil). 1995. \$1645 to fund investigation of trihalomethane formation in existing and pilot water treatment facilities
- U.S. Environmental Protection Agency, Region V, through Ohio Environmental Protection Agency and Toledo Metropolitan Council of Governments, 1993. \$21,000 to conduct study "Evaluation of oil and grease removal in catch basins.
- Ohio Operating Engineers, 1993. Agreement to provide approximately \$80,000 of in-kind services in constructing regional wetlands research facility near Whitehouse, Ohio.

- National Science Foundation, 1992. Selected as participant for “Constructed Wetlands for Wastewater Treatment Program,” Fort Collins, Colorado, six week course, summers 1992 and 1993. The grant funded transportation, room, and instructional costs.
- Edward Lamb Foundation (with Larry Friedman), 1992. \$6000 to fund development and implementation of Xi'an Foreign Language Institute and Bowling Green State University cooperative classroom.
- Ohio Environmental Protection Agency, 1989. \$38,632 to conduct study "Hazardous waste reduction through comprehensive inventory control, reuse and recycling.
- California Energy Commission, 1986. \$50,000 (approximate). Preparation of a guide to small-scale energy production.
- California State Water Quality Control Board, 1984. \$150,000 (approximate) to conduct study "Oil and grease in urban stormwater runoff."
- California State Water Quality Control Board, 1984. \$150,000 (approximate) to study "Urban stormwater runoff control through the use of a created wetlands."

MAJOR PRESENTATIONS:
