Alice Elizabeth Mazarick Endowed Scholarship for Nursing

Through the concerted efforts of friends and family, the Alice Elizabeth Mazarick Scholarship for Nursing has been established to benefit UNC Charlotte’s School of Nursing. This endowed scholarship will celebrate the commitment of nurses to healing the patients they serve.

Alice graduated from the UNC Charlotte School of Nursing in 1989. It was her love of life and people that drew her into the nursing field. After graduation, she worked at Presbyterian Hospital in Charlotte, and then toured the country as a travel nurse. Alice had a special bedside manner and contagious smile that at times seemed to heal the sick. After meeting Alice, even if for a moment, one would feel that she was their best friend. Nursing was one of her many gifts.

Named in her honor, an academic scholarship will be available each year to a meritorious nursing student with needs from across undergraduate and graduate nursing programs. The scholarship will be made possible through the generous donations of family, friends and benefactors. All gifts to the Alice Elizabeth Mazarick Scholarship for Nursing are tax deductible as permitted by law.
