

Spring 2017 Health Academy Talk

February 28, 2017

What constitutes human research and what does not?!?

Featuring Cat Runden, UNCC IRB Compliance Manager

Cone 111A

1 p.m.-3:00 p.m.

We invite existing members, as well as new members, to come join us and mingle, reconnect with colleagues, or make new connections. Hear Ms. Runden speak on the topic of human subjects research. Faculty, staff, students, alumni, and community members are all invited to attend. Just bring your interest in health.
